WESTERN KENTUCKY STATE COLLEGE  
BOWLING GREEN KENTUCKY

## ON THE HILL

life resumed its busy pace with registration September 14, 1961. Western students returned to campus . . . and to classes . . . Activities ON THE HILL were varied and exciting . . . Dorm life provided a time for new companionship and the renewing of old acquaintances . . . Those calm, quiet hours spent in meditation and worship greatly shaped the thoughts and ideas of the students living ON THE HILL . . . Social activities provided the change of pace that is so vital in the life of all college students . . . This year THE HILL exhibited many new signs of progress and evidences of the continual striving for the best possible facilities for Western students and faculty . . . Sports also were an integral part of the life of the well-rounded Western student, either as a spectator or as a participant . . .

The following pages have been compiled in an effort to depict the scenes that are representative of life at Western . . . LIFE ON THE HILL.

RICHARD HOWELL COOP • Editor-in-Chief  
ANNA LOUISE LEACH • Assistant Editor

In autumn **THE HILL**  
welcomes us back to campus  
and to classes...

Living on **THE HILL**  
is filled with fun and  
excitement...

It isn't home, but  
**DORM LIFE** offers warmth  
and companionship...

Fortunately, our  
life has its **SOCIAL**  
side, too...

**HOMECOMING** provides a  
variety of activities...

Many signs of  
**PROGRESS** may be seen  
on the Hill...

Then come those quiet times  
when added emphasis on **RELIGION**  
takes precedence in our lives...

**SPORTS** play  
a large part in giving  
a well rounded life...

# DEDICATION

It is with great admiration and respect that we, the **TALISMAN** Staff of 1962, dedicate this yearbook to Dean Raymond L. Cravens. Dean Cravens has shown himself to be a capable educator and administrator as well as a personal friend to the student body during his years at Western. Through his dynamic personality Dean Cravens symbolizes the spirit that enables Western to retain the warmth of a small college while offering all the advantages of a larger institution.

We would like for you, Dean Cravens, to consider this yearbook a token of our appreciation for your many contributions to Western.

## THE PRESIDENT

### Dr. Kelly Thompson

#### A Message to Western Students:

You have united with a dedicated faculty, loyal alumni, and a host of Western friends in making the 1961-62 school year a successful and productive one.

We commend each of you, especially the graduating seniors, upon your personal achievements and wish to express our sincere appreciation for your contributions in making this a significant chapter in the history of our great College.

Western's progress and development during a challenging and demanding era are tributes to the magnificent contribution our student body continues to make.

You are a part of the exciting and dynamic present which will soon be a part of the hallowed tradition of the past and will serve as a guiding light to an even greater future.

Please be assured of Western's continued interest in your welfare and genuine pride in your accomplishments.

It is our hope that you will preserve forever the **Western spirit** which is our sustaining force, the **vision** which we glorify in our minds, and the **ideals** which we enthrone in our hearts.

Sincerely,  
KELLY THOMPSON  
President

## THE WESTERN PLAYERS

A street scene from "Winter Set"

The James gang from "Missouri Legend"

A scene from "Dark of the Moon"

The theatre-goers of Western and the community receive a full cup from the Western Players, directed by Russell H. Miller, not only through dramatic presentation but also through the variety show troupe called "The Little Show."

Western Players presents four major productions a year and at the end of the season an awards dinner is held to honor outstanding players.

Culture, social activity, and dramatic training have been the three major contributions of The Western Players through the years. Continued contribution toward a wholesome, entertaining college life is its goal for the future.

The theatre has a great part in developing the man. Western Players accepted this challenge.

## SPEECH CONTEST WINNERS

The senior speech competition for men is the Ogden Oratorical Contest which is open to men of the Junior and Senior classes each college year. It is sponsored by the Board of Regents of the Ogden Alumni Association. Annually its winner receives a medal and cash award, represents the Ogden group on Ogden day, and Represents Western in intercollegiate speaking competitions. Last year's winner was Ted Urban, Senior from Frankfort, Kentucky.

The oldest of the oratorical competitions for women is the A.A.U.W. Contest. It was the first academic competition for women at Western. Established in 1952 by the Bowling Green Branch of the American Association of University Women, annually it honors the outstanding woman speaker

from the Junior and Senior classes of the college. Miss Susan Moses, Junior from Erlanger, Kentucky, won the award in 1961.

An academic tradition inherited by Western from the Ogden School for Boys, the Robinson Oratorical Contest was once a graduation requirement for boys of the high school division. Sponsored by the Board of Regents of the Ogden Alumni Association, the Robinson Contest each year honors the outstanding speaker of Sophomore and Freshman competition for men. Pat Chamberlain, Sophomore from Bowling Green, Kentucky, was the winner in 1961.

For the past six years the S.N.E.A. Oratorical Contest has been sponsored by the Lee Francis Jones Chapter of the Student N.E.A. at Western. The competition is open to women of the Sophomore and Freshman classes. A handsome sterling silver julep cup is awarded to the young lady chosen annually as the outstanding speaker in this category. Miss Kathy Atkins, Sophomore from Pineville, Kentucky, was the 1961 winner.

As you leaf through the pages of the **TALISMAN** now and in the years to come, the members of the 1961-62 staff hope you will have many happy memories of "Life on the Hill."

In the spring of 1961 we were notified that we had been selected from members of the incoming senior class for the honor and responsibility of serving on the **TALISMAN** staff. Our editor and assistant editor, accompanied by our sponsor and the art editor, then made a trip to Nashville during the summer months to meet with Mr. Norman "Buddy" Shaw of the Benson Printing Company. Here they made the initial plans for the 1962 **TALISMAN**.

Throughout the year each editor has worked diligently in attempting to make this year's annual the best ever. We sincerely hope that we have portrayed accurately the many exciting events and fond memories of "Life on the Hill."

The **College Heights Herald** is the official newspaper of Western Kentucky State College. It is published each Wednesday morning. This year the **Herald** has moved to a weekly publication schedule in order to bring better news coverage to the Hill.

Featuring the news and views of Western and its student body, the **College Heights Herald** voices the heartbeat of Hill. The student newspaper is eagerly read not only by the

present student body, but also by the alumni and other past and future Westerners the world over.

From the latest Hilltopper athletic triumph to the many extracurricular activities of the students, including the activities of the busy faculty and administration, the **Herald** focuses its attention on Western in all phases of its campus life.

The **Herald** staff is headed by the editors-in-chief and the business managers, and is composed of the members of the journalism class taught by Miss Frances Richards of the English Department, who serves as faculty sponsor. Mr. Robert G. Cochran, Director of Public Relations, is the general manager.

A standing member of the Columbia Scholastic Press Association, the **College Heights Herald** consistently receives high ratings in the Association's annual ratings of American college newspapers.

Much work goes into making the **Herald**

## RELIGIOUS EMPHASIS WEEK

The Western Religious Council is a non-denominational organization whose purpose is to stimulate religious interests and to undertake activities on campus which no denominational group could do working alone. Churches in Bowling Green are represented in the council proportionate to the number of students active in each of the churches. Among the events sponsored by this group are: Religious Emphasis Week, Easter Sunrise Service, Vespers, Dorm devotions, and Bible Study groups. The council functions under the guidance of a faculty committee appointed by the President. This committee is composed of Dr. Earl A. Moore, chairman; Dr. William M. Jenkins, Jr., Mr. Willard Cockrill, Miss Sibyl Stonecipher, Mr. Claude Rose, and Mr. Ohm Pauli.

Religious Emphasis Week is an annual event of Western Kentucky State College. This week is set aside by the college to focus the students' attention upon their own spiritual needs and the place of religion in American life. A speaker of outstanding ability is chosen for this event. The week's activities are non-denominational and students of all faiths attend the meetings. The theme of Religious Emphasis Week is given interpretation through convocations, seminars, dorm devotions, fellowship breakfasts, private conferences, and an evaluation luncheon. The program is sponsored for the college by the Western Religious Council.

The Student Advisory Council was formed in 1956 under the direction of President Kelly Thompson. The Council was formed to serve as a "voice" in representing the students' opinion in various areas of college activity, as well as to aid the President in regard to the study of possible means of constant improvement in college policies.

The Student Advisory Council is composed of the presidents of every departmental club, the four classes and clubs stemming from the departments. Operating within the Council is the Executive Committee which consists of seven members from the Council, three of which are appointed (the Sophomore, Junior, and Senior class presidents), with the remaining four being elected from the Council.

The Student Affiliates of the American Chemical Society seek to provide for chemistry majors, science majors, and interested students a series of varied and informative programs in the field of science, with special emphasis on chemistry. The Western chapter is closely associated with the Nashville section of the American Chemical Society and its members attend meetings of the society which are held in Nashville each month. Once during the school year it is the chapter's privilege to host one of these meetings on the Western campus.

The Physics Colloquium was organized to develop an interest in physics among the beginning students of the physical sciences; to provide fellowship for those interested in the various fields of physics; to serve as a connecting link between students of all levels of study in physics; and to provide an opportunity for advanced students in physics to gain experience in public speaking.

The function of the Geography Club is to promote an interest in geography as a field of study and institute a greater understanding of the geographical influence upon local, state, national, and international affairs. The membership consists of students who are majoring or minoring in geography and any other persons interested in the field of geography. The regular meetings are characterized by discussions, lectures, color slides, and films pertaining to geography and its many influences on our lives as Americans. The members participate in one or more field activity each year. The public is welcome to participate in any or all of the club's activities.

The Leiper English Club is composed of students interested in all phases of the study of English. The primary aim of the club is to provide an opportunity for its members to get together and to exchange ideas. For the past several years the club has had a series of programs based on Kentucky. The last activity each year is a dinner at which an outside speaker is guest of honor.

The Ragland Library Club was organized in 1931, and was named for Miss Florence Ragland, the first librarian at Western. Its membership is made up of library science majors and minors, and other students who are interested in library work. The purpose of the club is to promote and sustain interest in library work, and to promote fellowship among the members of the library staff and the library science department. Varied programs are presented at the monthly meetings. Some have featured guest speakers and color slides, with the November meeting being devoted to National Book Week.

Western Writers was founded in 1955 to encourage creative writing among students. To this end, the organization meets monthly to discuss anonymously submitted school work, and edits and publishes the best work submitted to the organization by Western students. Western Writers' magazine is called **Voices** and is printed twice yearly by the Park City News Company. Many members do not submit work; they simply enjoy discussing or listening to discussions of creative writing. On the other hand, the organization is happy to receive work from non-members.

The Commerce Club members are students enrolled as commercial education majors and business administration majors. The purpose of the club is to guide and counsel these students in their curriculum and to acquaint them with opportunities, requirements, and personalities in the business field. With the establishment of the new Department of Business, the Commerce Club is operating with the enthusiastic support of all staff members of the department and has many possibilities for advancement. Participation in this organization provides opportunities for leadership, professional growth, and fellowship. All commercial education and business administration majors are advised to become active members of the organization.

The Physical Education Club is an organization composed primarily of majors and minors in Physical Education, although any student who is interested in this field may belong to the organization. The purpose of the club is to acquaint the student with methods and practices, and, above all, to build professional pride within the individual student, which is necessary for success in any type of endeavor. The aim of this club is two-fold: (1) to stimulate the student to be a part of the activities and functions of or for the school, and (2) to send into the field men and women physical educators who are better informed and qualified and meet or surpass the national standards.

The Congress Debating Club is one of Western's finest traditions. It has a long history of producing quality citizens. It is dedicated to training its members (Senators) in public speech and democratic college assembly and conducting a mock trial on campus to aid the student body in becoming familiar with debating and legal procedures. This organization is independent of any department, and it serves as a forum for student ideas. The regular meetings follow the club's constitution and parliamentary procedure, while the program ranges from campus to world affairs. The Senators are proud to boast Dr. Jenkins as its Sponsor.

The Western Debate Associates, while being the official representative of Western Kentucky State College in all intercollegiate forensic competition, strives to inform its members on the pressing problems facing our nation. A comprehension of such problems creates better citizens. Membership in the Associates is open to all students of Western on either an extracurricular or an accredited class basis. During the past year, members of the Associates have captured two top-speaker awards, four excellent-speaker ratings, and a runner-up trophy in debate tournaments.

The Iva Scott Home Economics Club, which is affiliated with the American Home Economics Association, is a professional organization for those majoring in home economics. By bringing in guest speakers on such subjects as community responsibilities, travel in foreign lands, career opportunities in home economics, and developments in modern appliances; by providing various social activities; and by giving the student an opportunity to participate in its programs, the club helps to enrich the college life of the home economics major and better prepares her for her present and future role in the home, community, and the nation.

The Cherry Country Life Club is an organization composed of approximately one hundred members who are interested in agriculture and its related fields. Some of its functions include monthly meetings, parties, charity work, participation in school activities, and the annual banquet honoring the graduating agriculture majors. The club also subscribes to all of the major agricultural magazines, which are placed on the magazine rack presented to Western by the Cherry Country Life Club. This is an example of one of the gifts the club presents each year to the agriculture department.

The Student National Education Association is the branch of the National Education Association and is designed for college students in elementary and secondary education. Membership in this organization provides the benefit of both N.E.A. and K.E.A. periodicals, and it allows members to participate in the many activities of the organization.

Western's S.N.E.A. chapter provides professional growth and association through a planned program of workshops, panel discussions, service work for Western, attendance at K.E.A., and close contact with the profession. It encourages students who have chosen teaching as a career to develop

professional growth through higher standards of preparation to understand the ethics of teaching, and to participate in cooperative work on the problems of the profession.

This year Western's S.N.E.A. chapter established a fund from which an annual scholarship will be awarded to a deserving S.N.E.A. member. An initial contribution of five hundred dollars set up the scholarship fund. The interest from this fund, plus contributions and pledges of members and alumni, will be used to further the fund.

The Art Club, an organization made up of students and faculty, has as its objectives the promotion of art, fellowship and scholarship. The club provides all members with the opportunity to experience and understand more fully the significance of art. Among its activities are bimonthly seminars, field trips, exhibitions, student competitions, lectures, and an annual Homecoming Open House. Mr. Loy and Mr. Weaver are the sponsors of the Art Club.

The Folklore Club is an organization of students who study, collect and discuss the various aspects of folklore. These students actually sing the songs which they collect. They usually sponsor some sort of dance during the school year, and are often called upon to put on special programs for the college. Organized at Western by Dr. D. K. Wilgus of the English Department, the club meets once during each month, and usually has either a visiting lecturer or a student program. The only criterion for membership is a bona fide interest in folklore—qualification which will exclude few, if any.

The Butler County Club was reorganized in 1960 with the help of our present sponsors Miss Margie Helm and Mr. Osburn Flener. The club's activities provide an opportunity for Butler County students on campus to continue friendships and make new ones while demonstrating leadership abilities. The club encourages Butler County High School students to attend Western by informing them of the advantages of a college education at Western.

For the past seven summers Western's drama and theatre program has found expression in the Summer Sessions in the Summer Theatre Project. Adopting the annual designation, the group of students, former students, faculty, and members of the Bowling Green community organized the Western Summer Theatre '61.

The two major productions offered by the '61 group were William Inge's "Bus Stop" and John Patrick's "The Curious Savage." Both played successfully to three excellent audiences. In addition to the program of productions, the group enjoyed field trips to Nashville and Louisville for an observation of outstanding theatre events, as well as participating in a program of social events during the busy summer.

## FOOTBALL SEASON

Coach Nick Denes and his assistants fulfilled their promise to recruit some players and field a team capable of playing O.V.C. football. This became evident last fall as the Toppers, picked to finish last in the O.V.C., lost only two league games. Their league losses were to O.V.C. Champ Tennessee Tech and the other to runner-up Middle Tennessee 7-6. This team also won the mythical state championship by defeating the other three state colleges: Murray, Eastern, and Morehead.

with the help of linebacker Booker, gave up fewer yards on the ground than any other O.V.C. team. The Toppers' fine backfield, with the running of Burt, Boone, Best, Brunson, and Jagers, picked up needed yardage time after time.

So, with lettermen such as Murray, Poole, Barriolo, Best, Jim and John Burt, and Westmoreland, to mention a few, returning, plus some very good-looking new prospects, Coach Denes is looking forward to this fall on the gridiron.

The Western 1961 Varsity Football Team

The Toppers were probably one of the very few teams that could boast of having three starting quarterbacks in Daily, Straub, and Drugs. The pass, catching, and defensive work of Jim Hughes, an All-O.V.C. player, and Lee Murray, the team's M.V.P., was sensational throughout the season.

The Western front line, smallest in the conference, composed of ends Hughes and Murray, tackles Poynter and Taylor, guards Bugle and Barriolo, and center Westmoreland,

# BASKETBALL

The 1961-62 Hilltopper basketball season proved once again that Coaches E. A. Diddle and Ted Hornback could produce a championship team. The Toppers, picked to finish second in the O.V.C. in a pre-season poll, came back from a disastrous December in which they lost four of seven games to win the O.V.C. by a record breaking margin of four games. Western finished with a 11-1 record in Conference play, the lone loss being to Tennessee Tech at Cookeville.

The 1961-62 season also saw Coach Diddle send his forces to battle for the 1000th time in a game against New Mexico A&M. The five Western starters, for only the second time in

Ridley led the second unit and gave great support to the big five. These boys pressed a team unmercifully and forced them to give up the ball many times on floor errors. Larry Castle, Danny Day, and Warner Caines, all juniors rounded out the second unit and showed considerable improvement over last year.

In recognition of a fine job, the Conference basketball coaches named E. A. Diddle, O.V.C. Coach of the Year.

Fans are optimistic about the 1962-63 prospects. Starters, Jim Dunn, Darrell Carrier and Bobby Jackson return with some capable reserves. With boys from a very fine freshman team moving up to the varsity, Western's 1962-63 edition will be in the thick of the championship chase.

history, all averaged in double figures. Rascoe and Todd were selected on the O.V.C. first team while Darrell Carrier was placed on the 2nd team.

Bobby Rascoe gained All-American Honorable Mention, Converse Magazine All-American, All-Mid East N.C.A.A., and was a starter in the East-West Shrine Game in Kansas City. Rascoe led the Toppers with an average of 25.7 points a game. Sophomore Darrell Carrier was next at 13.7. Junior forwards Bobby Jackson and Jim Dunn averaged 13.3 and 12.3 respectively. Senior pivotman Harry Todd scored 11.3 points a game and hauled down better than 12 rebounds per game. Doug Smith and Mike

Western's freshman basketball team compiled a surprising 11-win-4-loss record for the 1961-62 basketball season. These Baby Hilltoppers coached by Dan King, former Hilltopper star, showed tremendous improvement as the season progressed and were a fine young team when the season ended.

Ray Keeton from Portsmouth, Ohio, led the team in rebounding and scoring with an average of 21.7 points a game. Keeton was followed closely by Ray Rhorer, an outstanding guard, who scored 19.6 points a game. Mickey Brown, a 6'4" jumping jack from Campbellsville, Kentucky, was third in scoring at a clip of 16.7 a game. The true worth of Ralph Baker is not shown in his average of 14.7 points. Baker was a fine defense player and great on the boards the entire season. Ralph Henning was the team's fifth player and ball handler. Bill Parson, Gene Hasket, Glenn Mareum, Larry Rightmeyer,

Sherrill Howard, and Eddie Hobgood composed the remainder of the squad.

The coaching staff was highly pleased with the Baby Toppers' two victories over Murray's highly touted freshmen team as well as being undefeated by the other three O.V.C. teams. With these boys around Coach Diddle should find ample talent available next year to replace this year's varsity seniors.

Ralph Baker scores two points against Murray frosh.

The Hilltoppers baseball team closed out a 21-game season with a 9-12 over-all record. The Western nine had a difficult time getting started early in the season, but finished strong by winning 6 of their last 9 games.

Senior centerfielder Ron Myers claimed the batting title with a .357 average. Close behind in the hitting department

were utility man Larry Castle with a .349 average and left-fielder Ray Hunt with a .345 average.

Lefty Ron Pond, senior pitcher, turned in the best pitching performance of any Hilltopper hurler. Pond claimed a 2-0 record for the season, pitching  $34\frac{2}{3}$  innings while posting a 3.15 earned run average.

Coach Ted Hornback's tennis team has done it again. For the second straight season they have compiled an identical eleven-win-and-no-loss record. These netters have also won the O.V.C. championship for the past two years.

The team this year will have to operate without Henry Hamblin, the No. 2 Singles champion and part of the No. 2 Doubles championship team, and No. 3 Singles champ Bill Pedigo, who have graduated. With lettermen Traugher, Day and Meyer returning, and newcomers Don McElhoney, Woodie Axton, and Bill Louisano, Coach Hornback is hoping for another successful season and the O.V.C. Championship.

The track team, coached by Turner Elrod, is an effort by the coaching staff to give the school a well-rounded competitive sports program. The team competes against schools that offer scholarships for this sport. However, at present no track scholarships are offered by Western.

The team came up on the short end of all the scores for eight meets, but showed some improvement over previous years, according to Coach Elrod.

The boys returning this year will have some much-needed experience. Captain Winton Boone returns to try improving his school records of 9.8 seconds in the 100-yard dash, 22.2

seconds in the 200, and 50.5 seconds in the 440. Boone will also have capable assistance in Bill Moore who runs the same events. Mike Roberts also returns to run the mile and two-mile events in which he holds the school record.

Coach Elrod also returns Charlie Rich, the discus thrower, and some very fine freshman prospects, such as Mickey Brown, the Kentucky High School high-jump champion. Brown will have his hands full in handling Jim Dunn, the Alcoa, Tennessee, flash in all the jumping events. Other freshmen are twins Roger and James Naylor, and Stanley Coultree.

This will be a greatly improved track team but still lacking in several places to score enough to win often.

Standing: Troy Felting, Mike Roberts, Jack Mahurin, Charlie Rich, James Steele, Kenny Waddell, Allan Miller, George Warner Manager.

The golf team coached by Frank Griffin had one of its most successful seasons by winning nine of eleven matches. The lone loss was to Murray by a score of  $12\frac{1}{2}$  to  $10\frac{1}{2}$  and included a tie to Tennessee Tech by a score of  $10\frac{1}{2}$  to  $10\frac{1}{2}$ .

Coach Griffin's teams have won more golf matches in previous years than any other OVC team. This year's team will include returning lettermen: Joe Jagers, Mickey Dale, Denny McAtee, Smitty Taylor, and Terry Jones. Also showing promise are: Bill Morton, Flash Gordon, Dave Ryan, Tony Bacon, and Cooper and Ray Baldrick. With these boys, Coach Griffin is looking forward to another successful season.

## CHEERLEADERS

**Kneeling:** Marilyn Cates, Sylvia Terry, Dianne Howard. **Standing:** Martha Johnson, Dianne Robinson, Roberta Johnson.

The spirit that has led the Hilltoppers to many victories is guided by six enthusiastic coeds. They have the continuous job of guiding the student body in supporting all sports events. Through these girls the true spirit of Western is represented.

Many of the high school cheerleaders from South-Central and Western Kentucky attend the clinic held annually on Western's campus. We all owe a great debt of gratitude to the WESTERN cheerleaders!

**Kneeling:** Sherry Aikens, Betty Joe Walker. **Standing:** Christine DeVries, Linda Jaque, Dotty Adkins, Sandy Griffith.

The "W" Club is one of the most exclusive organizations at Western. To be eligible for membership one must have earned a varsity letter in one competitive sport while at Western. The Club usually meets once a month and operates under a college-approved constitution and by-laws.

The objectives of the "W" Club may be listed as follows: (1) Promote closer fellowship among the varsity men of the various sports on the Hilltop; (2) provide opportunity for leadership as officers or as committee members for various projects; (3) add to the members' knowledge of organization and administration of varsity athletics, since many of the members become coaches.

The "W" Club sponsors the Hilltop Relays, an invitational track meet for surrounding high school boys; varsity varieties, a talent show for the students; and periodical student dances. At the close of spring football drills, the club sponsors the red-white football game. This is an intra-squad game and gives the coaches and students a chance to see what they have to look forward to the following fall.

Occasionally the Club's program is enriched by the appearance of outstanding athletes, coaches, school principals, and other educative personnel. This is an effort of the Club to give its members an insight into what to expect when they finish their schooling at Western.

**Seated:** Jimmy Foulke, secretary; Jimmy Feix, faculty advisor; Denny McAtee, sergeant at arms. **Standing:** Buzzy Best, treasurer, Bobby Rascoe, vice-president; Billy Booker, president.

As editors of the 1962 **TALISMAN**, we have attempted to represent LIFE ON THE HILL as completely and as accurately as possible. We have made a special effort to capture that certain warmth and friendly spirit that permeated the student body, the faculty, and the administration of Western.

The printing of the **TALISMAN** requires the cooperation of many people. We would like to take this opportunity to express our thanks to Mr. Gipson, our sponsor, who has worked so diligently for many long hours. We also owe a large measure of gratitude to our very capable representative from the Benson Printing Company, "Buddy" Shaw; to Courier Journal photographer Bill Strode, for special pictures; to our photographers, Darrell Watkins, Allen Pardon, and Tommy Hughes; and to all the people of Western for their patience and understanding during the printing of our yearbook.

As you look through these pages, both now and in the future, we hope each picture will help you to recall pleasant memories of the time you spent ON THE HILL.
